SUBIR is a Spanish word meaning RISE – a noun that implies an upward movement, an instance of becoming higher. The journal title SUBIR reflects the Research and Development Division's effort to further develop the research capability of the non-teaching personnel and help sustain the culture of inquiry and curiosity in the Colegio.

The SUBIR Journal is a publication of the Research Department. This contains completed data analysis reports of non-teaching personnel of the Colegio.

Largely, it serves as a means of sharing the results of studies conducted by the academic community of Colegio de San Juan de Letran Calamba. Further, it may serve as a reference material for administrators and policy-makers of the Colegio.
